Case Plan Update – Permanency Goal of Reunification

November 18, 2014

1. The Department will arrange, with his input re: time and service provider, for Manuel Gomez to participate in anger management services.
2. The Department will arrange, with their input re: time and service providers, for Manuel and Lisa Gomez to participate in parent training services.
3. Manuel Gomez will participate in anger management services.
4. Manuel and Lisa Gomez will participate in parent training services.
5. The Department will continue to arrange for visitation as frequently as possible between Javier, Mr. and Ms. Gomez, and Javier's sister Maria.
6. The Department will continue to inform and invite Manuel and Lisa Gomez to Javier's school functions, medical appointments, etc.
7. The Department has arranged for weekly psychotherapy sessions for Javier and will continue to monitor his progress in this service.
8. The Department will ensure that Javier's psychotropic medication is monitored on a quarterly basis through face-to-face appointments with Dr. Pemberly.
9. The Department will continue to identify any important connections for Javier and will encourage and support those connections as appropriate.
10. The Department will refer Javier to the Independent Living Specialist for an IL Assessment.
11. The Department will continue to facilitate foster home licensure for Juanita Lopez.
12. The Department will provide foster care maintenance payments, respite care, transportation, and other services to Juanita Lopez as requested and as needs arise.

13. Juanita Lopez will continue to attend foster parent training sessions, with the goal of becoming fully licensed as soon as possible.

By our signatures below, we, the attendees of the Case Planning Meeting, agree that the above stated activities were discussed and agreed upon by the specific participants in the meeting.
