

Mock State
Department of Children and Family Services

Hopewood District Office
729 Linda Lane, Hopewood, MS

CaseName/Child
Javier Diaz

Case Plan Update

Permanency Goal of Other Planned Permanent Living Arrangement

February 18, 2015

1. The Department will continue to arrange for visitation as frequently as possible between Javier, Mr. and Ms. Gomez, and Javier's sister Maria.
2. The Department will continue to inform and invite Manuel and Lisa Gomez to Javier's school functions, medical appointments, etc.
3. Manuel Gomez will continue to visit with Javier as frequently as possible and will attend other events of the child's life.
4. Lisa Gomez will continue to visit with Javier as frequently as possible and will attend other events of the child's life.
5. The Department will continue to monitor Javier's progress in psychotherapy and will ensure that it is meeting his needs.
6. The Department will ensure that Javier's psychotropic medication is monitored on a quarterly basis through face-to-face appointments with Dr. Pemberly.
7. The Department will continue to identify any important connections for Javier and will encourage and support those connections as appropriate.
8. The Department will follow through with specific tasks to ensure that Javier receives appropriate life skills development and training, as outlined in his Transitional Living Plan dated 2-6-15.
9. The Department will draw up and present for signatures a Planned Permanent Living Arrangement Agreement to show Gateway Group Home's commitment to Javier's placement at its facility until at least age 18 and Javier's commitment to remaining there.

By our signatures below, we, the attendees of the Case Planning Meeting, agree that the above stated activities were discussed and agreed upon by the specific participants in the meeting.
