

Case Plan Update

Permanency Goal of Other Planned Permanent Living Arrangement

August 14, 2015

1. The Department will continue to facilitate visitation, to occur as frequently as possible, between Javier, Mr. and Ms. Gomez, and Javier's sister Maria.
2. The Department will continue to inform and invite Manuel and Lisa Gomez to Javier's school functions, medical appointments, other events, etc.
3. Lisa Gomez will continue to visit with Javier as frequently as possible and will attend other events occurring in his life.
4. Manuel Gomez will continue to visit with Javier as frequently as possible and will attend other events occurring in his life.
5. Stephen Shaw, Gateway Group Home case manager, will set up a meeting prior to the end of September 2014 with Javier's school counselor re: preparation for college/university applications.
6. Independent Living Specialist will meet with Javier before end of September 2014 to explain benefits and assistance he will receive if he attends college.
7. The Department will continue to monitor Javier's progress in psychotherapy and will ensure that his therapeutic needs are being met.
8. The Department will ensure that Javier's psychotropic medication is monitored on a quarterly basis through face-to-face appointments with Dr. Pemberly.
9. The Department will continue to encourage and support Javier's connections to extended family and others, as appropriate.
10. The Department will continue to ensure that Javier receives appropriate life skills training and development and other IL services as needed.
11. The Department will continue to coordinate closely with Gateway Group Home staff to ensure that Javier's needs are being met.

By our signatures below, we, the attendees of the Case Planning Meeting, agree that the above stated activities were discussed and agreed upon by the specific participants in the meeting.
