Hopewood County, Mock State

THE COURT FINDS:

1. The Court has jurisdiction over this matter.
2. The child, Javier Diaz, has been adjudicated as an abused and neglected child as defined in Mock State Children's Code, Section 424.b (1-4).
3. The Department made the following reasonable efforts to reunify Javier Diaz with his guardians, Manuel and Lisa Gomez:

Arranged for the following services to address the causes and conditions that resulted in the abuse of the child:

- a) Psychosocial assessment for Manuel Gomez
- b) Psychosocial assessment for Lisa Gomez

- c) Identified services to be implemented to ameliorate safety issues in the home and worked with the guardians to promote engagement in those services
- d) Arranged for and facilitated visitation between Javier Diaz and Mr. and Ms. Gomez to preserve and enhance their relationship
4. The Department has arranged for a psychiatric evaluation for Javier Diaz and is ensuring that prescribed psychotropic medication is administered and that he is participating in recommended psychotherapy sessions.
5. Despite the reasonable efforts made by the Department, reunification of the child with his guardians is not in his best interest and is contrary to his welfare. Mr. and Ms. Gomez have not engaged in services and no longer wish to reunify with the child.
6. The Department has exercised reasonable care in providing for Javier Diaz's physical and dental health, behavioral health, and educational needs. The child is safe in his current placement and is in close proximity to his guardians. His current placement has allowed him to remain in the same high school.
7. The child has no siblings in foster care.

THE COURT ORDERS:

1. Javier Diaz to remain in the custody of the Department of Child and Family Services, which is responsible for his care and supervision.
2. The permanency plan change of Other Planned Permanent Living Arrangement (OPPLA) is adopted.
